To Pio Ieraci

It has come to our attention that an attempt has been made to use the Galt Mile Community Association name fraudulently.

As per its bylaws, the Galt Mile Community Association never inserts itself into the elections of member associations. Evidently, some duplicitous individual created the email address - galtmileneews@aol.com - for the express purpose of sending bulk emails entitled "Galt Mile News", ostensibly to mislead recipients into mistakenly believing that the electioneering content was sourced from the Galt Mile News, the official publication of the Galt Mile Community Association.

The GMCA strongly condemns this activity and requests that the individual responsible for this activity cease and desist immediately.
